

DOWN2EARTH Ethics Deliverable

NEC - Requirement No. 4

6.3. Details on the materials which will be imported to/exported from the EU must be kept on file.

6.4. Copies of import/export authorisations, as required by national/EU legislation must be kept on file.

The DOWN2EARTH project does not intend to import or export any materials to/from the EU. Should this change however, a protocol will be established which will include ensuring that all information and authorisation are kept securely on file.
